Services

By understanding the client's requirement and are certain that the assignment can be successfully completed, it is our responsibility to put forth our effort, observing certain tenets during the course of the Search: All persons formally presented will be interviewed and fully evaluated according to established norms and standards set. All persons will be presented with their full knowledge and approval. No candidate will be approached in any company, which is a regular client. A client will not be identified to a source, prospect or candidate without authorization. Reference checking will not be conducted without the knowledge and agreement of the candidate. The result will be reported in full to the client.
